After I emailed you this morning, I received a call from [REDACTED] (Advocate) informing me that the JT was cancelled for 12/01/11. Is this correct? Or am I still on call? If it was continued, was it a plea? A continuance? Thanks.

On call is fine. Often when we say you're on call the case pleads so I don't want you to come all the way for nothing....

I haven't heard anything about the Springfield case on 12/1/11 yet so, as promised, I will let the ADA know that your case will take precedence over hers. Also, are you going to want me there bright and early, or would you prefer to have me on call? Thanks.

Thanks Sonja. We will give you a call Monday if I don't hear anything new from you by Friday.

I haven't heard anything back from the ADA in Springfield yet, so I re-emailed her hoping that she'll reply this time. If I don't end up hearing from her by the end of today or Friday, I'll let her know that your case will be my first priority for 12/1/11.

Hope this helps.

Right now I've got a district case scheduled in Springfield (I'm on-call), but I'll email the ADA to see if anything has changed as I received the summons on Oct. 3rd.

Hi Sonja: The above matter is scheduled for trial on 12/1. Are you available to come to Fall River District Court to testify on that date?
